

# THE DORSET PARK BAND

P R E S S K I T

The Dorset Park Band is dedicated to delivering the finest in dance-rock entertainment for corporate retreats, fundraisers, private parties and festivals. We deliver tunes that are simply irresistible, and whose appeal spans the generations. We are experienced, reliable, and fun, and we know how to work with event planners and corporate meeting planners. Our performers have been each playing music for 20 years or more.

## Style/Sound

With both female and male lead singers, we deliver great vocal variety, complemented by tight harmonies and dynamic on-stage chemistry. Guitars and keyboards deliver a full and pleasing sound. An upscale dress code and a highly professional attitude ensures an event that is seamless and smooth from long before set-up to long after teardown. We are extremely proud of Canadian music and we try to keep our repertoire 50% Canadian.

We work with our clients to learn about any specific tunes or other customization that might be required, and we always involve the audience in playing along. We know we are hired to please the audience, and leave them with great memories of a high-energy, enjoyable event, and that is what we deliver.

## Location

We are based in Milton and are available to play anywhere in the Greater Toronto area, including Niagara and Cottage Country

## What Kind of Tunes Do We Play?

The easiest description is, if it plays on BOOM 97.3, we play it. We have a large repertoire that includes classic rock favourites and party essentials, and we customize every performance according to the client's needs. Our focus is on audience interaction (singalong, clapping & dancing) along with our great pride in Canadian music. Here's a sample (but incomplete) list (that often get blended together). If the tune you like is not on this list, just tell us! We'll get it ready for you.

## Try Our Menu Selection!

We know it can be hard to choose songs for an entire event, so we do it for you with menus, just like a caterer. These include:

- Quieter ambient selections for dining
- Upbeat style sets for dancing, singing and working off that dinner
- Blended sets of fast and slow tunes
- Cross-format sets that add rock and country for example
- Disco and soul sets
- Harder, rock sets.

Pick and choose your favourites, and add any requests you want!
